Johannesburg / 04 April 2025

In March 2025, the Independent Regulatory Board for Auditors (IRBA) hosted a webinar themed “**Continuous Professional Development (CPD)**”. The information session provided valuable insights into the key aspects of the IRBA CPD Policy, offering clarity and direction on how to navigate the CPD process effectively.

The IRBA would like to take this opportunity to thank all participants who engaged with us during the session. A FAQ guide will be compiled and shared in due course and will be made available on the IRBA website.

Given the interest in the topic, the webinar recording has been prepared and is now accessible on the [IRBA website](#), along with the presentation slides and other supporting materials for your reference and understanding.

Should you have any further queries or experience issues accessing the materials, please do not hesitate to contact the Education and Transformation Department by emailing cpdadmin@irba.co.za.

Nadine Kater

Director: Education & Transformation

The objective of the IRBA is to endeavour to protect the financial interests of the South African public and international investors in South Africa through the effective and appropriate regulation of audits conducted by registered auditors, in accordance with internationally recognised standards and processes.
