

INDEPENDENT REGULATORY BOARD FOR AUDITORS

Upcoming IRBA Webinar to Diarise – Artificial Intelligence in Finance

Johannesburg / 7 March 2025

The Independent Regulatory Board for Auditors (IRBA) invites you to join the “Artificial Intelligence in Finance: *Shaping the Future*” webinar that it will be hosting next month. This online-only event will explore the evolution of artificial intelligence (AI) tools and technology, as well as their impact on the finance profession.

To connect to what promises to be an exciting discussion, save the following date and time:

- **Monday, 14 April 2025, from 13h00-16h30**

This event will dive into groundbreaking topics that are shaping the use of AI in the finance profession. It is intended to offer an insightful exploration of innovations, with the hope of leaving you inspired and engaged.

Who Should Attend?

All interested parties are welcome to attend the webinar, especially registered auditors and their teams, finance professionals, those studying towards an accounting or finance-related degree and other stakeholders that generally engage with auditors. In essence, the insights gained from the event will add value to any stakeholder’s interactions with auditors.

How to RSVP?

This webinar will be free of charge. Further details and the formal invitation will be shared in due course.

Please do note that our programme and date are subject to change, without prior notice, particularly in the event of unforeseen circumstances.

We look forward to your attendance and participation.

Standards Department

About the IRBA

The objective of the IRBA is to endeavour to protect the financial interests of the South African public and international investors in South Africa through the effective and appropriate regulation of audits conducted by registered auditors, in accordance with internationally recognised standards and processes.
