

INDEPENDENT REGULATORY BOARD FOR AUDITORS

EXECUTIVE DEPARTMENT

Issue 66 of IRBA News is Now Available

Johannesburg / 19 July 2024

We are pleased to inform you that the latest issue of IRBA News is now accessible on our website and social media platforms.

This issue comes at a critical time in our country's history, as the 7th Government of National Unity administration unveils its key priorities and policies. In this evolving landscape, the auditors' role in safeguarding the local economy's financial integrity and ensuring that companies comply with regulations for sustained investor confidence has to be underlined. Fundamentally, reliable corporate reporting that is assured by independent auditors provides essential information for informed investment decisions, helping to stabilise market reactions. Therefore, we cannot overemphasise the fact that the auditors' responsibilities will be more crucial in how our country navigates the future and rebuilds the economy.

Additionally, we welcome the re-election of our Board Chairperson, Deputy Chairperson and Board Subcommittee Chairpersons for another three-year term, which demonstrates the confidence that their fellow Board members have in the organisation's strategic direction under their leadership. We pledge our continued support to this leadership and the entire Board for the next three years.
